30 September 2026

Dear Shareholder,

Annual General Meeting 2025 and Report and Accounts 2024

I am pleased to enclose the Notice of Meeting for the AGM of the Company which will be held at 5 St. John's Lane, London, England, EC1M 4BH at 11.00 a.m. on 22 October 2026.

We recognise that the AGM is a very important occasion for the Board to engage with shareholders and answer any questions that you might have.

The Company will arrange for a quorum to be present in person at the AGM to enable the business to be transacted and the chairperson will propose that votes be conducted on a poll to ensure that all votes are counted.

The Notice of the AGM which follows this letter, sets out the business to be considered at the meeting. The purpose of this letter is to explain certain elements of that business to you.

1. Business of the Meeting

As you will see from the Notice, there are a number of items of business to be considered at the AGM. Explanatory notes on all the business to be considered at the AGM are set out below.

2. Annual General Meeting and Resolutions

Resolutions 1 to 4 (inclusive) are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution.

Resolutions 5 is proposed as special resolution. This means that for this resolution to be passed, at least three-quarters of the votes cast must be in favour of the resolutions.

Copies of the annual report and accounts of the Company for the year ended 30 June 2025 (the **"2025 Annual Report and Accounts"**) are available at www.rurelec.com/investors/reporting-and-presentations.

The business of the AGM will be to receive the Report and Accounts and to conduct the other ordinary business and special business of the Company as set out in the notice.

The Resolutions to be proposed at the AGM are as follows:

Resolution 1: To receive the Company's Annual Report and Accounts

The Directors are required to present the audited accounts, Directors' Report, Strategic Report and Auditor's Report at the meeting. These are contained in 2025 Annual Report and Accounts.

Resolutions 2: Election of Director

In accordance with Articles 22.2 and 22.5 of the Articles of Association, Paul Roger Anthony Shackleton shall retire at the AGM and shall seek reappointment. The biographical details of Mr Shackleton are available for viewing on the Company's website (www.rurelec.com).

Resolution 3: Appointment of Auditors and Auditors Remuneration

Pursuant to Section 489 of the Companies Act 2006, Kreston Reeves Audit LLP has expressed their willingness to continue in office as auditors of the Group. Kreston Reeves Audit LLP has agreed to act as the Company's auditor until the conclusion of the next general meeting at which the accounts are laid before the Company.

Resolution 3 proposes the reappointment of Kreston Reeves Audit LLP as auditors of the Company and gives authority to the board of Directors to determine the auditors' remuneration.

Resolution 4: Authority to Allot Shares

Under the Act, the directors of a company may only allot unissued shares in the capital of the company and grant rights to subscribe for or convert any security into shares in the Company if they are authorised to do so by the shareholders at a general meeting or by the Company's Articles.

Paragraph (a) of this resolution would give the directors the authority to allot shares and grant rights to subscribe for or convert any securities into shares in the capital of the Company up to an aggregate nominal value of £29,692.2782 (being 296,922,782 Ordinary Shares). This represents approximately one third of the nominal value as at the Latest Practicable Date. The Company has proposed resolutions on this basis for a number of years.

In line with guidance issued by the Investment Association, paragraph (b) of this resolution would give the directors the authority to allot shares and grant rights to subscribe for or convert any securities into shares in the capital of the Company solely in connection with a rights issue, to existing shareholders in proportion (as nearly as may be practicable) to their existing holdings, up to an aggregate nominal value of a further £29,692.2782 (being 296,922,782 Ordinary Shares). This amount represents approximately a further one-third of the issued ordinary share capital (excluding treasury shares) of the Company at the Latest Practicable Date. The Board considers it appropriate to seek this additional allotment at the AGM in order to take advantage of the flexibility it offers.

The authority and power pursuant to Resolution 4 will expire on the later of 15 months from the date Resolution 4 is passed or the conclusion of the Company's next annual general meeting.

The Board will continue to seek to renew these authorities at each annual general meeting in accordance with current best practice. The Board has no present intention to exercise these authorities but considers it desirable that it should have the flexibility to allot shares, or grant rights to subscribe for, or convert any securities into shares, if circumstances arise where it may be advantageous for the Company to do so.

Resolution 5: Disapplication of Pre-emption Rights

Under section 561 of the Act, when new shares are allotted, or treasury shares are sold for cash, they must first be offered to existing shareholders pro rata to their holdings. There may be occasions, however, when the Company's directors will need the flexibility to finance business opportunities by the issue of Ordinary Shares without a fully pre-emptive offer to the Company's existing shareholders.

Under this resolution, it is proposed that the Company's directors be authorised to issue shares for cash and/or sell shares from treasury (if any are so held) without first offering them to existing shareholders in proportion to their existing shareholdings pursuant to the statutory pre-emption rights:

(i) up to a maximum aggregate nominal amount of £29,692.2782 (representing 296,922,782 Ordinary Shares). This represents approximately 30 per cent. of the issued Ordinary Share capital (including treasury shares) of the Company as at the Latest Practicable Date (with the Company holding no shares in treasury as at the Latest Practicable Date). This part of the authority is designed to provide the board with flexibility to raise further equity funding and to pursue acquisition opportunities as and when they may arise; or

(ii) in respect of a rights issue, open offer or other offer that generally provides existing shareholders with the opportunity to subscribe for new shares pro rata to their existing holdings. This part of the authority is designed to give the directors flexibility to exclude certain shareholders from such an offer where the directors consider it necessary or desirable to do so in order to avoid legal, regulatory or practical problems

that would otherwise arise.

The authority and power pursuant to Resolution 5 will expire on the later of 15 months from the date Resolution 5 is passed or the conclusion of the Company's next annual general meeting.

3. Recommendation

The Directors believe that Resolutions 1 to 5 contained in this Notice are in the best interest of the Company and its shareholders as a whole and unanimously recommends that shareholders vote in favour of them, as the Directors intend to do in respect of their beneficial shareholdings.

4. Action to be taken

If you would like to vote on the resolutions but will not be attending the AGM, you may appoint a proxy electronically via https://uk.investorcentre.mpms.mufg.com/ by following the instructions or, if you hold your shares in CREST, you can appoint a proxy via the CREST system. A form is not being provided this year, you may request a hard copy form from the Registrars via email on shareholderenquiries@cm.mpms.mufg.com or via telephone at 0371 664 0300. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. If you hold your shares through a nominee service, please contact the nominee service provider regarding the process for appointing a proxy.

Yours sincerely,

Paul Shackleton
Non-Executive Director

IMPORTANT NOTES:

The following notes explain your general rights as a shareholder, including your rights to attend and vote at the AGM or to appoint someone else to vote on your behalf.

1. The right to attend and vote at the AGM (and for the purpose of the determination by the Company of the votes they may cast), will be determined by reference to the Company's Register of Members of the Company at close of business on 20 October 2026 or, in the event of any adjournment, close of business on the date which is 48 hours before the time of the adjourned meeting). Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the meeting.

2. A member of the Company entitled to attend and vote at the meeting convened by the notice set out above is entitled to appoint one or more proxies to exercise all or any of its rights to attend and to speak and vote in that member's behalf at the meeting. A proxy need not be a member of the Company. More than one proxy may be appointed to exercise the rights attaching to different shares held by the member, but a member may not appoint more than one proxy to exercise rights attached to any one share. A form of proxy which may be used to make such appointment and give proxy instructions can be requested from MUFG Corporate Markets via email at shareholderenquiries@cm.mpms.mufg.com or on 0371 664 0300. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. MUFG Corporate Markets is open between 09:00 - 17:30, Monday to Friday excluding public holidays in England and Wales, and calls may be recorded and randomly monitored for security and training purposes.

3. In the case of joint holders, where more than one of the joint holders purport to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first name being the most senior).

4. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote to abstain from voting at his/her discretion. Your proxy will vote (or abstain from voting) as he/she thinks fit in relation to any other matter which is put to the AGM.

5. To be valid, any proxy instruction must be received either electronically at https://uk.investorcentre.mpms.mufg.com/ or via the Investor Centre app (see below), or by post (during normal business hours only) or by hand at the Company's Registrar MUFG Corporate Markets PXS 1, Central Square, 29 Wellington Street, Leeds, LS1 4DL, or in the case of shares held through CREST, via the CREST system, (see note 7 below). If you are an institutional investor you may also be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. As an alternative you can appoint a proxy. In each case for proxy appointments to be valid, they must be received by no later than 11.00 am on 20 October 2026. If you return more than one proxy appointment, either by paper or electronic communication, that received last by the Registrar before the latest time for the receipt of proxies will take precedence. Unless otherwise indicated on the Form of Proxy, CREST, Proxymity or any other electronic voting instruction, the proxy will vote as they think fit or, at their discretion, withhold from voting

   You are advised to read the terms and conditions of use carefully. Electronic communication facilities are open to all shareholders and those who use them will not be disadvantaged. Please follow the instructions to register at https://uk.investorcentre.mpms.mufg.com/. You will need your investor code (IVC) to register.

   Investor Centre is a free app for smartphone and tablet provided by MUFG Corporate Markets (the company's registrar). It allows you to securely manage and monitor your shareholdings in real time, take part in online voting, keep your details up to date, access a range of information including payment history and much more. The app is available to download on both the Apple App Store and Google Play, or by scanning the relevant QR code below. Alternatively, you may access the Investor Centre via a web browser at: https://uk.investorcentre.mpms.mufg.com/.

   Download on the App Store GET IT ON Google Play

6. The submission of a form of proxy, other such instrument or any CREST Proxy Instruction (as described in note 8 below) will not preclude a member from attending and voting at the meeting in person should the situation and the applicable restrictions change such that you are permitted to, and you subsequently wish to do so.

7. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for this meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual (available via

www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

8. In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with the specifications of Euroclear UK & International Limited, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, to be valid, be transmitted so as to be received by MUFG Corporate Markets (participating ID RA10) by the latest time for receipt of proxy appointments specified in this Notice. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

9. CREST members and, where applicable, their CREST sponsors, or voting service provider should note that Euroclear UK & International Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system provider are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

10. If you are an institutional investor you may also be able to appoint a proxy electronically via the Proxymity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proxymity, please go to www.proxymity.io. Your proxy must be lodged by 11.00 a.m. on 20 October 2026 in order to be considered valid or, if the meeting is adjourned, by the time which is 48 hours before the time of the adjourned meeting. Before you can appoint a proxy via this process you will need to have agreed to Proxymity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy. An electronic proxy appointment via the Proxymity platform may be revoked completely by sending an authenticated message via the platform instructing the removal of your proxy vote.

11. Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that no more than one corporate representative exercises powers in relation to the same shares. A re solution of the directors, or other governing body, of the corporation will be required in order to evidence the valid appointment of the corporate representative, in accordance with section 323 of the Act.

    If any corporation appoint corporate representatives other than the chair of the AGM, they will not be permitted to attend the AGM in person.

12. As at 29 September 2026 (being the Latest Practicable Date), the Company's issued share capital consists of 890,768,348 Ordinary Shares carrying one vote each and 561,387,586 Deferred Shares without voting rights. Therefore, the total voting rights in the Company as at 29 September 2026 are 890,768,348. Therefore, the total voting rights in the Company immediately following the Capital Reorganisation taking effect will remain unchanged.

13. Except as provided above, members who have general queries about the Annual General Meeting should call MUFG Corporate Markets shareholder helpline on 0371 664 0300. Calls are charged at the standard geographic rate and will vary by provider. Calls outside the United Kingdom will be charged at the applicable international rate. MUFG Corporate Markets is open between 09:00 - 17:30, Monday to Friday excluding public holidays in England and Wales, and calls may be recorded and randomly monitored for security and training purposes.

14. Members may not use any electronic address (within the meaning of section 333(4) of the Act) provided either in this Notice or any related documents to communicate with the Company for any purposes other than those expressly stated.

15. Your personal data includes all data provided by you, or on your behalf, which relates to you as a shareholder, including your name and contact details, the votes you cast and your reference number (as attributed to you by the Company or its registrars). The Company determines the purposes for which, and the manner in which, your personal data is to be processed. The Company and any third party to which it discloses the data (including the Company's registrars) may process your personal data for the purposes of compiling and updating the Company's records, fulfilling its legal obligations and processing the shareholder rights you exercise.

16. As a shareholder you have the right to ask questions at the AGM. The Company must cause to be answered any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would

interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

17. A copy of this Notice, and other information required by Section 311 of the Act, can be found on the Company's website at www.rurelec.com
