1 June 2018

Dear Shareholder,

Notice of Annual General Meeting and Report and Accounts

I am pleased to be writing to you with details of the annual general meeting (the "**AGM**") of Rurelec PLC (the "**Company**") which will be held at the offices of W.H. Ireland Group PLC at 24 Martin Lane, London, EC4R 0DR at 11.00 a.m. on 27 June 2018. The formal notice of the AGM is set out on pages 5 to 8 (inclusive) of this document.

You will find enclosed with this letter a form of proxy for use in connection with the AGM. Whether or not you propose to attend at the AGM, you are asked to complete the form of proxy in accordance with the instructions printed on the enclosed form. Alternatively, if you hold your shares in CREST, you may appoint a proxy electronically through the CREST system. The registrars must receive your proxy appointment no later than 11.00 a.m. on 25 June 2018.

You will also find enclosed a letter from the Company Secretary in relation to receive future shareholder communications via Rurelec's website for future meetings, unless you return the tear-off slip to request hard copy documents or provide an email address. If you take no action, you will be sent a letter informing you each time the Company publishes shareholder communications that are available to view online.

Business of the Meeting

As you will see from the notice, there are a number of items of business to be considered at the meeting. Explanatory notes on all the business to be considered at the AGM are set out below.

Resolutions 1 to 4 (inclusive) are proposed as ordinary resolutions. This means that for each of those resolutions to be passed, more than half of the votes cast must be in favour of the resolution.

Resolution 5 is proposed as a special resolution. This means that for this resolution to be passed, at least three-quarters of the votes cast must be in favour of the resolution.

Copies of the annual report and accounts of the Company for the financial year ended 31 December 2017 (the "**Report and Accounts**") are enclosed with this letter.

The business of the AGM will be to receive the Report and Accounts and to conduct the other ordinary business and special business of the Company as set out in the notice.

Resolution 1: Report and Accounts

The directors are required to present to the shareholders at the AGM the audited accounts of the Company and the reports of the Company's directors and the Company's auditors for the year ended 31 December 2017. Copies of the Reported Accounts are enclosed.

Resolution 2: Re-election of a Director

In accordance with Articles 22.5 and 22.6 of the articles of association of the Company, Brian Rowbotham shall retire by rotation at the AGM and shall seek reappointment. The biographical details of Mr Rowbotham are set out on page 7 of the Report and Accounts.

Resolution 3: Appointment of Auditors and Auditors Remuneration

Saffery Champness resigned as auditor of the Company in December 2018 due to the failure to agree additional fees in relation to the 2016 audit of the Rurelec Group of companies and therefore they did not complete their appointment period. The board of directors appointed Moore Stephens as the Group auditors on 25 January 2018 pursuant to Section 489 of the Companies Act 2006. Moore Stephens had expressed their willingness to continue in office as auditors of the Group. Therefore Resolution 3 deals with their appointment as Auditors.

Moore Stephens LLP has agreed to act as the Company's auditor until the conclusion of the next general meeting at which the accounts are laid before the Company. Resolution 3 proposes the appointment of Moore Stephens LLP and authorises the board to determine the auditors' remuneration.

Resolution 4: Authority to Allot Shares

Under the Companies Act 2006 (the "**Act**"), the directors of a company may only allot unissued shares in the capital of the company and grant rights to subscribe for or convert any security into shares in the Company if they are authorised to do so by the shareholders at a general meeting or by the Company's articles of association.

Paragraph (a) of this resolution would give the directors the authority to allot shares and grant rights to subscribe for or convert any securities into shares in the capital of the Company up to an aggregate nominal value of £3,742,584 (being 187,129,195 ordinary shares of two pence each ("**Ordinary Shares**")). This represents approximately one third of the nominal value of the issued Ordinary Share capital (excluding treasury shares) of the Company as at 31 May 2018, being the latest practicable date prior to publication of this notice of AGM (the "**Latest Practicable Date**"). The Company has proposed resolutions on this basis for a number of years.

In line with guidance issued by the Investment Association, paragraph (b) of this resolution would give the directors the authority to allot shares and grant rights to subscribe for or convert any securities into shares in the capital of the Company solely in connection with a rights issue, to existing shareholders in proportion (as nearly as may be practicable) to their existing holdings, up to an aggregate nominal value of a further £3,742,584, (being 187,129,195 Ordinary Shares). This amount represents approximately a further one-third of the issued ordinary share capital (excluding treasury shares) of the Company as at the Latest Practicable Date. The Board considers it appropriate to seek this additional allotment at the AGM in order to take advantage of the flexibility it offers.

The authority and power pursuant to Resolution 4 will expire on the later of 15 months from the date Resolution 4 is passed or the conclusion of the Company's next annual general meeting.

The Board will continue to seek to renew these authorities at each annual general meeting in accordance with current best practice. The Board has no present intention to exercise these authorities but considers it desirable that it should have the flexibility to allot shares, or grant rights to subscribe for, or convert any securities into shares, if circumstances arise where it may be advantageous for the Company to do so.

Resolution 5: Disapplication of Pre-emption Rights

Under section 561 of the Companies Act 2006, when new shares are allotted, or treasury shares are sold for cash, they must first be offered to existing shareholders pro rata to their holdings. There may be occasions, however, when the Company's directors will need the flexibility to finance business opportunities by the issue of Ordinary Shares without a fully pre-emptive offer to the Company's existing shareholders.

Under this resolution, it is proposed that the Company's directors be authorised to issue shares for cash and/or sell shares from treasury (if any are so held) without first offering them to existing shareholders in proportion to their existing shareholdings pursuant to the statutory pre-emption rights:

(i) Up to a maximum aggregate nominal amount of £561,387 (representing 29,069,378 Ordinary Shares). This represents approximately 5 per cent. of the issued Ordinary Share capital (including

treasury shares) of the Company as at the Latest Practicable Date (with the Company holding no shares in treasury as at the Latest Practicable Date). This part of the authority is designed to provide the board with flexibility to raise further equity funding and to pursue acquisition opportunities as and when they may arise; or

(ii) In respect of a rights issue, open offer or other offer that generally provides existing shareholders with the opportunity to subscribe for new shares pro rata to their existing holdings. This part of the authority is designed to give the directors flexibility to exclude certain shareholders from such an offer where the directors consider it necessary or desirable to do so in order to avoid legal, regulatory or practical problems that would otherwise arise.

The authority and power pursuant to Resolution 5 will expire on the later of 15 months from the date Resolution 5 is passed or the conclusion of the Company's next annual general meeting.

The directors confirm that it is their intention to follow the best practice set out in the Pre-Emption Group's Principles which provides that these authorities should not be relied on to allot more than 7.5 per cent. of a company's issue share capital on a non-pre-emptive basis in any rolling three-year period without prior consultation with shareholders.

Action to be taken

If you would like to vote on the above resolutions to be proposed but cannot attend the AGM, please complete the proxy form enclosed with this document and return it to Link Asset Services, PXS, 34 Beckenham Road, Kent BR3 4TU as soon as possible. Alternative methods by which shareholders may appoint proxies are set out in the notes to the AGM Notice at the end of this document. All proxy instructions whether in hard copy or by electronic means must be received by Link Asset Services at the address above in any event not later than 11.00 a.m. on 25 June 2018.

Recommendation

The board of directors of the Company considers that each of the above-mentioned resolutions to be put to the meeting are in the best interest of the Company and its shareholders as a whole and are most likely to promote the success of the Company.

Accordingly, the board of directors unanimously recommends shareholders to vote in favour of each of the resolutions to be put to the meeting, as they intend to do in respect of their own beneficial shareholdings in the Company.

Yours sincerely,

Brian Rowbotham
Non-Executive Director

NOTES:

1. A member of the Company entitled to attend and vote at the meeting convened by the notice set out above is entitled to appoint one or more proxies to exercise all or any of its rights to attend and to speak and vote in that member's behalf at the meeting. A proxy need not be a member of the Company. More than one proxy may be appointed to exercise the rights attaching to different shares held by the member but a member may not appoint more than one proxy to exercise rights attached to any one share. A form of proxy is enclosed. To appoint more than one proxy, you may photocopy the enclosed form of proxy.

2. To be valid, any proxy form or other instrument appointing a proxy must be completed, signed and received by post or (during normal business hours) by hand at Link Asset Services, PXS, 34 Beckenham Road, Beckenham BR3 4TU by 11.00 a.m. on 25 June 2018 or not later than 48 hours before the time appointed for any adjourned meeting. Any power of attorney under which the proxy form is signed (or a duly certified copy of such power or authority) must be included with the proxy form.

3. The return of a form of proxy, other such instrument or any CREST Proxy Instruction (as described in note 7 below) will not preclude a member from attending and voting at the meeting in person should they wish to do so and are so entitled.

4. In the case of joint holders, where more than one of the joint holders purport to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first name being the most senior).

5. The Company, pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001, specifies that only those members registered in the register of members of the Company as at close of business on 25 June 2018 or at close of business on the date which is 2 days before any adjourned meeting shall be entitled to attend and vote at the meeting in respect of the number of shares registered in their name at that time. Changes to entries in the register of members after that time shall be disregarded in determining the rights of any person to attend or vote at the meeting and for the purpose of determining the number of votes a member may cast.

6. In the case of a member which is a corporation, the form of proxy must be executed under its common seal or signed by an officer of the corporation or an attorney for the corporation. Alternatively a member who is a corporation can appoint one or more corporate representatives who may exercise, on its behalf, all of the powers as a member provided that they do not do so in relation to the same shares. A resolution of the directors, or other governing body, of the corporation will be required in order to evidence the valid appointment of the corporate representative, in accordance with section 323 of the Companies Act 2006.

7. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for this meeting and any adjournment(s) thereof by using the procedures described in the CREST Manual (available via www.euroclear.com/CREST). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

8. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with the specifications of Euroclear UK & Ireland Limited ("Euroclear"), and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, to be valid, be transmitted so as to be received by Link Asset Services (participating ID RA10) by the latest time for receipt of proxy appointments specified in this notice of meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

9. CREST members and, where applicable, their CREST sponsors, or voting service provider should note that Euroclear does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed a voting service provider, to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system provider are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

10. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

11. In order to revoke a proxy instruction you will need to inform the Company by sending a signed hard copy notice clearly stating your intention to revoke your proxy appointment to Link Asset Services, PXS, 34 Beckenham Road, Beckenham BR3 4TU by 11.00 a.m. on 25 June 2018.

12. If you submit more than one valid proxy appointment, the appointment received last before the latest time for the receipt of proxies will take precedence.

13. As at 31 May 2018 (being the last practicable date prior to the publication of this notice of meeting), the Company's issued share capital consists of 561,387,586 ordinary shares carrying one vote each. Therefore, the total voting rights in the Company as at 31 May 2018 are 561,387,586.

14. Except as provided above, members who have general queries about the Annual General Meeting should call Link Asset Services' shareholder helpline on 0871 664 0300. We are open between 9.00 am – 5.30 pm Monday to Friday, excluding public holidays in England and Wales, and calls may be recorded and randomly monitored for security and training purposes.

15. Members may not use any electronic address (within the meaning of section 333(4) of the Companies Act 2006) provided either in this notice of meeting or any related documents (including the Non-Executive Director's Letter, the Report and Accounts and the Form of Proxy) to communicate with the Company for any purposes other than those expressly stated.

16. Your personal data includes all data provided by you, or on your behalf, which relates to you as a shareholder, including your name and contact details, the votes you cast and your reference number (as attributed to you by the Company or its registrars). The Company determines the purposes for which, and the manner in which, your personal data is to be processed. The Company and any third party to which it discloses the data (including the Company's registrars) may process your personal data for the purposes of compiling and updating the Company's records, fulfilling its legal obligations and processing the shareholder rights you exercise.
